Every child dreams about their future. Some of those dreams may require money to come true. How do you help your children achieve their dreams?

One way is to help them learn how to save their money. In April, Brewery Credit Union is celebrating Youth Month, which is a program that helps teach and encourage kids to develop good financial habits. Every member under the age of 18 who makes a deposit during the month of April will receive a free gift!

The theme this year is "The Science of Saving", showcasing fun, sci-fi-inspired characters. Science has proven that if you start with small goals, saving your money can become a regular habit. This year's Youth Month inspires children to begin saving the money they earn so they can attain their dreams of a happy future.

Notice to Members

Currently ACH transactions (electronic deposits and withdrawals) post in the morning and evening. New ACH rules require that we post ACH transactions in the mid-afternoon in addition to the morning and evening. Now ACH files post three times per day.

This is to ensure that the recipients of same-day ACH credits have access to funds in their accounts by the end of the business day. Benefits to you:

1. Faster funds from your employer, insurers, the government
2. Pay bills at the last minute
3. Real-time payments
