Message to Members

It's hard to believe that summer has already passed, and we are in fall, planning our 2023 strategic business plan with the Board and planning for the upcoming budget. We have and will continue to make investments to grow this credit union and bring the benefits to our members, just as you expect of us. In 2022 we have set the foundation for new products and services that will benefit you, the member, and grow the credit union.

On another note, the credit union is seeking Associate Directors to serve on our Board. An Associate Director will participate in all business brought before the Board and any Board related functions. This is a non-voting position. Being an Associate Director provides a good foundation for the next step to becoming a Director on our Board. Interested members should contact the credit union by sending an email stating their interest in the position of Associate Director to careers@brewerycu.com.

Sincerely,

Steven Janssen
President/CEO

Nominations Invited

Members that are interested in being a candidate for the Brewery Credit Union Board of Directors at the election to be held at our 89th membership annual meeting must file their intention and brief biographical profile with the Nominating Committee Chairperson or President Steven Janssen (sjanssen@brewerycu.com); no later than December 30, 2022. Candidates must be at least 18 years of age and a member for at least three months.

International Credit Union Day

International Credit Union (ICU) Day® celebrates the spirit of the global credit union movement. The day is recognized to reflect upon the credit union movement's history, promote its achievements, recognize hard work and share member experiences. International Credit Union (ICU) Day® has been celebrated on the third Thursday of October since 1948.

The ultimate goal is to raise awareness about the tremendous work that credit unions and other financial cooperatives are doing around the world and give members the opportunity to get more engaged. The day of festivities for credit unions and financial cooperatives globally includes fundraisers, open houses, contests, picnics, volunteering and parades.

The 74th anniversary of International Credit Union Day® is set for Thursday, October 20, 2022. This year, we will gather as a global movement under the theme: "Empower Your Financial Future with a Credit Union™."

This cooperative spirit has led to life-changing opportunities for people all over the world who've wanted to start a small business, own a home or continue their education but were denied access to other financial institutions. In many parts of the world, people's first taste of democracy is through their credit union, where "one member, one vote" is the governing structure. At its most basic level, a credit union is people pooling their money to provide each other with affordable loans—it is literally people helping people.

Brewery Credit Union is a Community Development Financial Institution. Our mission is to expand economic opportunity for underserved people and communities. As a United States Treasury designated CDFI, we specialize in serving low-income households in our community who struggle with limited access to financial products and services.

Holiday Club Members

Reminder that your Holiday Club funds will be transferred to your savings account on the evening of October 31, with the funds being available in your Savings Account on November 1. Don't forget to use your Brewery CU Debit Card or Credit Card for all of your holiday shopping.

Tips for Preventing Identity Theft

- 1. Don't carry anything unnecessary in your wallet or purse:** This includes your social security card, extra credit cards, birth certificate, voter's registration card and PINs or passwords you've written down on paper.
- 2. Keep a record of everything in your wallet:** Know what's in your wallet so you know who to contact in the event of a lost wallet or stolen wallet. You can make copies of the front and back of your cards, including driver's license and medical insurance, or write down the account numbers and contact information. Store the copies or list in a secure place at home.
- 3. Protect your existing credit and debit cards:** Instead of signing the back, write "please ask for photo id" to minimize the risk of identity theft and your cards being used by anyone but you.
- 4. Shred all documents that contain your information before discarding:** Shred all documents (credit card statements, bills, credit card receipts, tax returns, unused checks, canceled checks, and credit reports) that contain account information, Social Security numbers, PINs, or sensitive information.
- 5. Shred all expired forms of identification and cards:** Shred expired credit cards and driver's licenses, and never leave receipts at bank machines, bank counters, trash receptacles, or unattended gas pumps.
- 6. Never leave sensitive documents in your car:** Don't leave your purse or wallet in the car seat or floorboard while shopping at the mall or grocery store. Instead put them in the trunk or take them with you when you leave the vehicle.
