## Message to Members

I am excited to announce that the Board of Directors has asked me to take on the position of Co-CEO. After 23 years of working in various positions at the credit union, I look forward to my new role and to work with Steve to continue to make an impact on our membership and community. I plan to continue to promote Brewery Credit Union's mission and I cannot wait to get started!

I would like to thank our staff for supporting me during this transition. I know how hard they work to keep the credit union moving forward and to make sure that our members get the products and services they need. I am lucky to work with such a great group of people.

I would also like to thank everyone who attended our 89th Annual Meeting. We look forward to having an in-person meeting next year to celebrate 90 years of serving our members. Also, I would like to congratulate our reelected Directors, Jennifer Schilling, Jill Nordstrom and Warwees Holt and would like to thank all our Directors for donating their time and talents.

*I look forward to 2023 and to making it another great year.*

Sincerely,

Kristen Brojanac, Co-CEO

**Bay View Branch Hours:**

Monday - Friday: 10 am - 6 pm  
Saturday: 9 am - 12 pm

*April is Youth Month*

April is National Credit Union Youth Month, the time each year when credit unions teach and encourage kids to develop strong financial habits. This year's theme is Unleash the Power of Saving at Your Credit Union™.

The earlier young members start a savings account, the more it will grow, and the easier it will be to achieve their dreams. Learning this good financial habit at a young age will set them up on the path of successful financial well-being.

Join us this April as credit unions across the country encourage youth to start saving regularly. This celebration is a great time to engage kids at Brewery Credit Union and within your community to help them learn that saving, no matter how small the amount, can help them achieve their dreams.

**Stop in the credit union to open your youth savings account.**

*89th Annual Meeting*

On Saturday, March 11, 2023 Brewery Credit Union welcomed members to our 89th annual meeting. The annual meeting was called to order 9:03 AM. Featured reports were presented by the Chairperson, President, Examination Committee and Nomination Committee. Board elections were conducted and Jennifer Schilling, Jill Nordstrom and Warwees Holt were reelected.

**THANK YOU FOR ATTENDING!**

*Make It Happen This Year.*

**Use your home's equity to pay for remodeling projects.**

Brewery Credit Union's home equity loans are designed to help you afford home renovations or additions, new landscaping, updated appliances or any significant expense. When you need the money, we'll help you secure it. Great terms and low rates that make monthly payments affordable are just the beginning.

Our staff can help you choose the loan or line of credit that best serves your needs now and over the course of the repayment. Lines of credit offer flexibility of use. As you repay the funds you've borrowed, they are available to use again for home renovations or repairs, college tuition, consolidating debt, vacations, or any large expense. Access your money by easily transferring the funds into your checking or using free HELOC checks. And repayment for loans and lines of credit can be made easier with payroll deduction.

**Free, quick & easy application process. To apply for your home equity loan, stop into the branch, call 414-273-3170 or apply online.**

*Mobile Pay*

Add your Brewery Debit Card or Credit Card to any of these Mobile Wallet Apps: Apple Pay®, Google Pay, and Samsung. For a faster, more convenient, more secure way to pay.

**What is Mobile Wallet?**

A mobile wallet is a way to carry your credit card or debit card information digitally on your enabled smartphone. Instead of using your physical plastic card to make purchases, you can simply tap-and-pay.

**Easy to Use**

Look for the contactless symbol wherever you shop. To use your AvestarDebit Card, simply unlock your device, authenticate the transaction with your fingerprint, iris, or PIN, and hold it near the terminal to pay.
